

## Once upon a time...

...THERE were 2 Reception classes called Koala and Kangaroo and they were very lucky as their teachers took them on a visit to

Ashford Library! 60 little excited faces walked from school into Ashford this week to visit the library. We love reading at ACE and we encourage children to share our love of books from a young age. The lovely ladies in the library read Little Red Riding Hood and The Three Billy Goats Gruff before the children were allowed to look around at all the books.

## A game of tag

TAG Rugby that is! A new concept of competition with our partner school, Laleham CE Primary. We combined teams with houses so those that wear red shirts went with red, blue with blue and so on. Children scored points by touching the ball down and tagged by removing a tag from an opponents belt. All the children that took part had a great time with the overall winners wearing green which was a combination of Foxall house and Lucan house from Laleham. Look out for more combined sports events coming soon.

## Writers' Corner

*Dear Mrs Morgan,*

*I am writing to inform you why you should not give us home learning every night.*

*Firstly, if we have homework every night we will barely get to see our parents and family time is important.*

*By Shanelle—Buffalo Class*

**Word of the week next week — Bellow.**  
**See if you can make a sentence including this word.**

## Thank you

Mrs Seymour would like to say a huge thank you to all for all the lovely cards, presents and good wishes she received on her retirement.

## Strictly come dancing

THE PTA will be holding an Easter disco on Friday 27 March. So get your dancing shoes ready! Tickets will be going on sale soon. Watch this space for further information.

## Weekly Reflection

**Blessed are those who have regard for the weak; the LORD delivers them in times of trouble.**

**Psalm 41:1**
