

The Big Garden Bird Watch 29th – 31st January

You can choose any hour between 29th and 31st January. So, whether you're an early bird or a night owl, you can still take part.

Tell us what you see

Count the birds you see in your garden or from your balcony. Ignore any birds that are still in flight. To avoid double-counting, just record the highest number of each bird species you see at any one time – not a running total.

Please send them to your class celebration email 😊
