

Judaism, week 1. Why are these objects special?

Look at the objects – what do you think they are?

What could they be used for?

Look through the slides... Judaism, week 1

In these slides you will learn about some Jewish artefacts. See what you can find out about each one, then write about 3 of the artefacts. Tell me what is special about them and what they are used for. Finally, write a question you would like to ask in order to find out more about the object you have chosen. (continue onto another sheet if needed)
