

Maths Challenge

Wednesday - Counting forwards and backwards to 50

Problem 1

Lola counts backwards from 40 to 20.

Tick all the numbers she will say:

42	<input type="checkbox"/>	36	<input type="checkbox"/>	24	<input type="checkbox"/>
38	<input type="checkbox"/>	31	<input type="checkbox"/>	19	<input type="checkbox"/>

Which numbers did you not tick? Why?

Problem 2

Count forwards and backwards using this number track.

21	22	23	24	25	26	27	28	29	30	31	32	33	34	35
----	----	----	----	----	----	----	----	----	----	----	----	----	----	----

Can you count without looking at the number track?

Draw a number track from 31 to 45.

Count forwards and backwards using your track.

Can you count without looking?
