

THE MISSING MONEY

This is what happened to Annie and Josh on the way to their village shop.

Mum asked Annie and Josh to go to the village shop to buy some food. Annie took the shopping list and Josh put the money in his pocket.

They crossed the road at the zebra crossing, waving to their friend, Sacha, who was playing in her garden. They said that they'd play later.

Outside the shop, they laughed as a cat chased a dog down the street. Mr Clifton, who ran the shop, smiled as they went in.

It didn't take long to fill their basket with milk, eggs and breakfast cereal. But when they went to pay, Josh had no money. It had fallen through a hole in his pocket.

Mr Clifton told them not to worry. They could pay him later. Even so, Josh and Annie were upset all the way home. Then, on the pavement outside their house, they found the money. They ran all the way back to the shop with it. Mr Clifton smiled and gave them each an ice lolly.
