

THE EGG AND SPOON RACE – The Finishing Line

Anything can happen in an egg and spoon race. Again, here is the order in which things happened.

As soon as the race started, Mina dropped her potato again. So Eric ran off to take the lead. When he slowed down to stop his potato wobbling, Samira soon caught up with him. Suddenly, Bartek put on a burst of speed. He ran past Eric and Samira. It looked like Mina was going to be last. But Bartek fell before he reached the finishing line. Eric tripped over Bartek. Samira tripped over Eric. Mina, who was walking very slowly, passed them all and was the winner.
