Dreidel - a game played during Hanukkah to help children remember the great miracle.

Menorah - a candle is lit each day.  
At the end of the 8 day festival all  
of the candles are lit. Blessings are  
said every day when a candle is lit.

Traditional Hanukkah treats are deep fried doughnuts and potato pancakes. Foods that are fried in oil remind Jewish people of the miracle of the oil and the candles that burned for 8 days after the Maccabees won back the temple in Jerusalem.

## Why are they having a Jewish party?

Festivals	What is the festival all about and how does the Jewish community celebrate it?	How is it similar or different?
