

Designing a soup tin

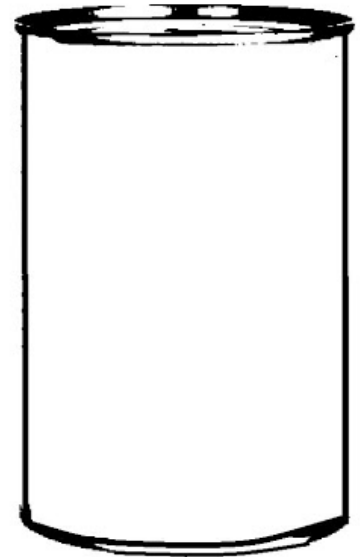

Last week

Last week, you were able to make your own soup, which you tasted and enjoyed.

Today you will be designing your own tin of soup.

Can you remember what type of soup you made two weeks ago?

Discuss with a partner or an adult

Soup Tins

But first lets have a look at some examples.

Have a look at the soup tins. What do they look like?

What colours have been used?

Is there writing on the soup tin?

Is there a picture on the soup tin?

Soup Tins

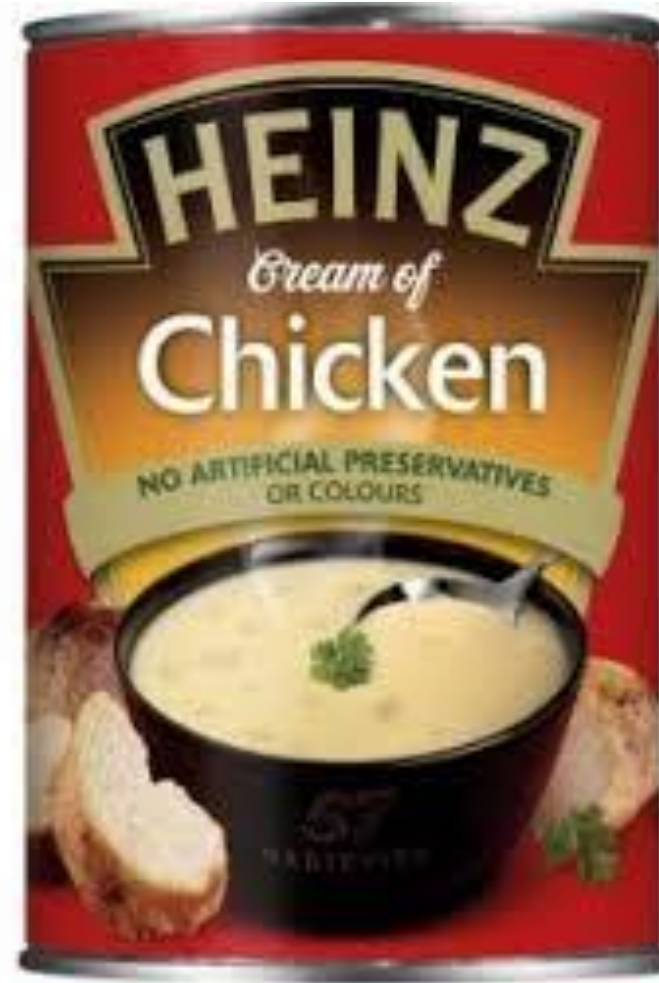

Have a look at this tin of soup.

What do you think is important to have on a soup tin?

- The name of soup
- A picture of the soup
- The brand of soup

Why do you think these things are important to have on a tin of soup?

Brand of soup

Name of soup

Picture of soup

Your task

Think back from two weeks ago at the soup you made. Did you come up with a name?
Can you remember what it looked like?

Today you are going to be designing a tin for the soup that you made at school or at home.

The tin needs to include some important things. You need to include

- The name of the soup
- A picture of the soup
- The brand of the soup

You are able to make these up yourselves. You can use coloured pencils and pens!

Your task

Use this sheet to design your soup tin.

Then write a description about the tin that you have designed.

LO: To be able to design a tin of soup.

Design a soup tin for the soup you made in school or at home. Include the name of the soup. The brand of soup and a picture.

|

Write a description about the tin of soup you designed. Explain the name you came up with and what you have put on the tin.
