LO: To use tenses correctly.

### ***Following the Reindeer***

***Underline the verbs in the sentences below then rewrite the sentences changing any verbs from the present to the past tense.***

*Remember: Verbs are 'doing' words. They can describe an action (running, shouting) or a state of being (be, are am, is, was, were, been, being).*

*He points to a long line of reindeer on a ridge.*

---

---

---

*They eat reindeer meat and wear clothes of reindeer skin.*

---

---

---

*The herd moves hundreds of miles every year.*

---

---

---

*They kill an animal whenever they need to.*

---

---

---

*As well as reindeer they hunt horses, red deer and wild pigs.*

---

---

---

*The hunters trek across Europe.*

---

---

---

© Can you spot the verbs in these sentences and rewrite them in the past tense?

***The hunters keep close to the reindeer.***

---

---

---

***The herd doesn't stay still.***
