

ACE Kangaroo and Koala Home Learning

Monday 11th January- Friday 15th January 2021

Welcome back to Week 2 of learning. We understand that home learning for Reception requires a lot of your time so if time is an issue, please focus on reading and phonics, writing and maths. Try to make things as fun as possible and give your child time to play too. Practise name writing daily with the correct letter formation. Extend this to simple sentences using our tricky words. Practise your forming your letters- choose the ones that you find challenging. Try and complete the daily White Rose Maths learning that you can access on line. Practise counting as much as you can and explore different ways of combing sets of objects to make numbers. Our theme for this half of term is **Space** so any stories, you tube clips, songs, crafts you do at home to support this theme will be of value. Please use these useful websites to help support your child's learning.

What do you think the most important part of the story was? Why was the Shepherd worried about the sheep. Explain that Jesus told lots of parables which can all be found in the Bible. A parable is a story that teaches us something, which is why Jesus told parables, he wanted to teach us. Jesus was teaching about God in this story.
