

ACE Kangaroo and Koala Home Learning

Monday 25th January - Friday 29th January 2021

Welcome back to Week 4 of learning. Please see below for this week's learning and also have a look at the **extra learning challenges** attached.

We understand that home learning for Reception requires a lot of your time so if time is an issue, please focus on reading and phonics, writing and maths. Try to make things as fun as possible and give your child time to play too. Practise name writing daily with the correct letter formation. Extend this to simple sentences using our tricky words. Practise your forming your letters- choose the ones that you find challenging. Try and complete the daily White Rose Maths learning that you can access on line. Practise counting as much as you can and explore different ways of combing sets of objects to make numbers. Our theme for this half of term is **Space** so any stories, you tube clips, songs, crafts you do at home to support this theme will be of value.

Please use these useful websites to help support your child's learning.

Monday

Theme- discuss whether aliens exist; are they real? No-one has ever seen an alien but there are lots of stories about aliens and they exist in our imagination! Listen to the story “Aliens Love Underpants” and talk about the story; what did you like about the story? What was your favourite part? Did all the aliens look the same? Which alien was your favourite and why?

<https://youtu.be/HWbSrmuyptw>

Can you design your own patterned pants for the aliens? Remember a pattern is something that repeats itself, it happens again and again.

Why not try hand printing your own alien. Watch a short video by The Oak Academy to give you some ideas;

[Space - Oak National Academy \(thenational.academy\)](https://www.thenational.academy)

Use your space dough/ playdough to make different aliens

Physical- Joe Wicks- Live! @ 9am PE with Joe wicks on Youtube or access it later at any time of the day.

Phonics- Sing the alphabet song <https://youtu.be/0FfcNgYCW18>

Introduce the sound 'sh' <https://youtu.be/eqigJZm5aa4>.

Print, cut and sort the "sh" coins into real and nonsense words. [Ph3Wk4MP \(phonicsplay.co.uk\)](https://www.phonicsplay.co.uk/Ph3Wk4MP)

If you don't have a printer, you can write the words out onto pieces of paper/card. The words are **ship,shop, shell, fish, cash, shess, lish sheg bish**

Hymns of Worship- Follow the link on the school website.

Thursday

R.E- If you didn't attend today's morning Zoom, then watch the bible story '**The Feeding of the Five Thousand**' <https://www.youtube.com/watch?v=CCA4oivfSYk>

Discuss the story, thinking about how would you have felt if you were there and you were hungry?

How would you have felt when you saw the 5 loaves and 2 fishes that the boy wanted to share? Explain and discuss what a miracle is.

Definition of a miracle:

"An extraordinary and welcome event that is not explicable by natural or scientific laws and is therefore attributed to a divine agency."

Can you role play the story. What would Jesus have said? How would the crowd have reacted? Either draw a picture of a miracle or have a go at making your own bread to share at home.

Phonics- Click on the link to play the 'sh' reading machine video <https://epicphonics.com/teachers/phase/3>, then have a go at playing rocket rescue on phonics play (link at top of page) choosing phase 3 and the sounds we have been learning (up to 'sh').

Physical- Can you complete some of these cbeebies exercises? <https://www.bbc.co.uk/cbeebies/grownups/fun-exercises-to-do-at-home-with-kids>

Maths learning- Growing 6,7,8!, Week 1, Session 4- <https://whiterosemaths.com/homelearning/early-years/growing-6-7-8/>

Math follow up activity- Have a go at making your own domino cards from either paper or cardboard.

Watch the numberblocks episode about pairs

Thursday Worship- please follow the link on the school website

Friday

Phonics- Click on the link and play the 'ch' reading machine video <https://epicphonics.com/teachers/phase/3> Play space race on phonics play

Next, Lay your sound cards (from school) out on the floor in an 's' shape, can you collect the sounds by saying the next one in the line? At the end, challenge yourself to make 3 words using the sounds you have collected.

Physical- Joe-Wicks- Live! @ 9am PE with Joe wicks on YouTube or access it later at any time of the day.

Maths learning- Growing 6,7,8!, Week 1, Session 5- <https://whiterosemaths.com/homelearning/early-years/growing-6-7-8/>

Watch the numberblocks episode about adding 1- <https://www.bbc.co.uk/iplayer/episode/b08q39b4/numberblocks-series-2-just-add-one>

Jigsaw (PSHE)- Role play with two teddies/puppets, one is busy doing activities/hobbies and then the other starts to say unkind negative things. Discuss how your child feels watching one puppet being unkind to the other. How do you feel when someone says something unkind to you? Can you write down (or say) something good about each family member and vice versa? Create a poster about what you are good at and how you got there.

Celebration Worship- please follow the link on the school website

Click below to open this week's challenges. You can also download a printable sound mat and a letter formation sheet to help your child be more independent when writing. Happy learning.
