### **Wednesday 6<sup>th</sup> January- Friday 8<sup>th</sup> January 2021**

Happy New Year Hello everyone! We hope you and your families are safe and well and although this is not the start to a New Year of learning that we hoped for, we will do our best every week to support and lead you with learning at home. We understand that home learning for Reception requires a lot of your time so if time is an issue, please focus on reading and phonics, writing and maths. Try to make things as fun as possible and give your child time to play too. Practise name writing daily with the correct letter formation. Extend this to simple sentences using our tricky words. Practise your forming your letters- choose the ones that you find challenging. Try and complete the daily White Rose Maths learning that you can access on line. Practise counting as much as you can and explore different ways of combing sets of objects to make numbers. Our theme for this half of term is **Space** so any stories, you tube clips, songs, crafts you do at home to support this theme will be of value.

Parents, if you are unsure about how to pronounce the phonic sounds, you can follow this link to watch and hear each Jolly Phonic sound in one clip [https://www.youtube.com/watch?v=-ksblMiliA8&feature=emb\\_title](https://www.youtube.com/watch?v=-ksblMiliA8&feature=emb_title)
