What was the promise God made to Noah?

What promise does God make to creation?

Christians believe that God is 'the God of second chances'

This is called **grace**.

Can you think of a time when you showed someone grace?

Has someone showed you grace?

# What would you do if someone was unkind to you?

When someone is unkind it would be very easy to be unkind back.

If you show them grace you would choose to be kind instead.

Grace is an important belief of Christians.

They believe God always shows grace, just like he did in the story of Noah.

Time to think -

We all have times when we need to ask for a second chance and there are also people who we need to give a second chance to. **We need to ask for grace and give grace to other people.**

In your lockdown learning book write down how you would ask for grace and what you need to ask for it for.

Then write down how you could show someone grace.
