

How the Whale got his Throat

1.Name the things that the whale eats when the story begins.

2.What was the man floating on?

3. What adjectives are used to describe the whale’s mouth?

4.What does the man do when he gets inside the whale?

5.What does the man do to protect other people from being swallowed by whales?

6.Why might the whale be angry with the clever little fish?

7.Is the ending of the story happy or sad and why?
