What happened in The Witch's Cat and the Cooking Catastrophe?

Tuesday 23rd February
LO: To plan my writing.

How did we improve the directions in the book yesterday?

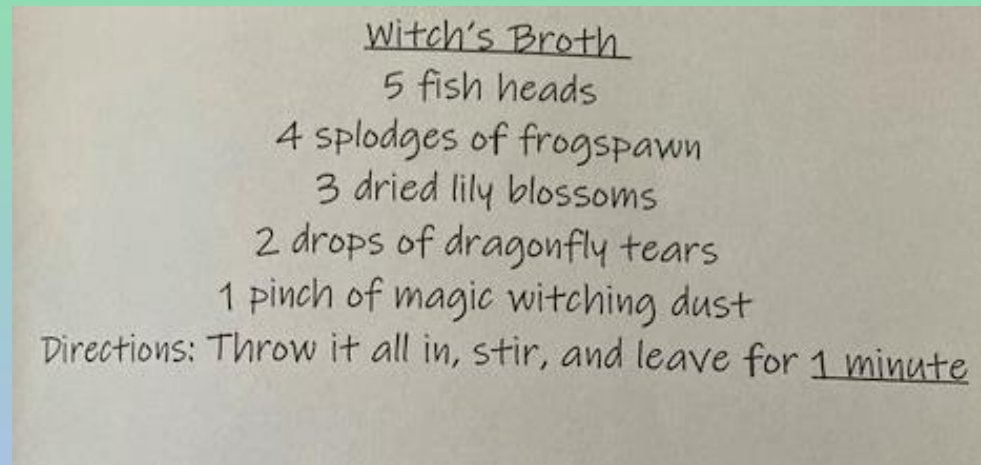

Witch's Broth
5 fish heads
4 splodges of frogspawn
3 dried lily blossoms
2 drops of dragonfly tears
1 pinch of magic witching dust
Directions: Throw it all in, stir, and leave for 1 minute

What will happen when the witch drinks your potion?

Briefly describe what will happen to the witch when she takes your potion:

Tuesday 23rd February

LO: To plan my writing.

Your task today is to complete your planning sheet by choosing five ingredients for your potion and adding vocabulary to describe them and what you will do with them.

Then make a few notes about what will happen to the witch when she drinks your potion.

Ingredient	Adjectives to describe it	Verb for what to do with it	© Fronted adverbial or time preposition

Briefly describe what will happen to the witch when she takes your potion:
