- Could this change be good or bad?

Life only makes sense when our highest ideal is to serve Christ.

Using fame for good – Dolly Parton

I want to thank the Tennessee legislature for their consideration of a bill to erect a statue of me on the Capitol grounds. I am honored and humbled by their intention but I have asked the leaders of the state legislature to remove the bill from any and all consideration.

Given all that is going on in the world, I don't think putting me on a pedestal is appropriate at this time. I hope, though, that somewhere down the road several years from now or perhaps after I'm gone if you still feel I deserve it, then I'm certain I will stand proud in our great State Capitol as a grateful Tennessean.

In the meantime, I'll continue to try to do good work to make this great state proud.
