

ACE Kangaroo and Koala Home Learning
Monday 1st March- Friday 5th March 2021

This is our last week of home learning before we welcome you back to school. We are all very excited to see you back in Reception but also want to share our appreciation for your support and patience during the last 7 weeks of home learning. It has been a real learning curve for all of us! Please continue to access our home learning and our live/pre-recorded zooms this week as we prepare to welcome you back to the classroom.

On Thursday this week it is World Book Day. Please encourage your child/ren to dress up as their favourite character from a book at home. The teachers will also be joining in with dressing up on the Zoom sessions! You can find lots of information on the World Book Day website <https://www.worldbookday.com/>

Monday

Theme- if you missed Zoom live this morning, please watch the story of The Gingerbread Man or share the story together if you have the book at home.

<https://www.youtube.com/watch?v=YoQyyB5xvLk>

Talk about the different characters in the book and see if you can retell the story. Now make a story map.

Can you think of a way for the Gingerbread man to cross the water without having to get on the fox's back? Can you build him a bridge to cross the water safely? You could use lego, sticks, junk materials...

If your grown-ups are happy to, why don't you try and bake your own gingerbread men?

Physical- Joe Wicks- Live! @ 9am PE with Joe wicks on Youtube or access it later at any time of the day.

Maths learning- Building 9 & 10, week 2, session 1 <https://whiterosemaths.com/homelearning/early-years/building-9-10-week-2/>

Phonics- Watch our pre-recorded session on the tricky word 'all'. Can you have a go at our tricky word snakes and ladders game? You could always make your own version if you don't have access to a printer. Don't forget to sing the tricky word song on Epic phonics!

Tuesday

Physical- Why not try an "Exercise with kids" session <https://www.youtube.com/watch?v=oc4QS2USKmk>

Maths Learning- Building 9 & 10, week 2, session 2 <https://whiterosemaths.com/homelearning/early-years/building-9-10-week-2/>

Phonics- Watch our pre-recorded session on our new sound 'oo'. Practise saying, reading our writing the new sound. Can you play Phonics frog? Select the sounds up to 'oo'. <https://www.phonicsbloom.com/uk/game/phonics-frog?phase=3>

Wednesday

Writing- Listen to the story "The Huge bag of Worries" <https://youtu.be/NbcswBYnmeQ> Talk about what Jenny was worried about in the story. Why didn't she want to talk about her worries with someone else? How did Jenny feel better at the end of the story? Who helped her? Discuss coming back to school next week with your child. How are they feeling about returning to school? What are they excited about? Is there anything they are worried about? Who can help them? Reassure your child that it is okay to feel worried and that lots of their friends will feel the same. Together, draw pictures or write these worries down- see template below. Stick them in your lockdown learning book so that these can be shared with your class teacher.

Maths learning- Building 9 & 10, week 2, session 3 <https://whiterosemaths.com/homelearning/early-years/building-9-10-week-2/>

Physical- Joe Wicks- Live! @ 9am PE with Joe wicks on Youtube or access it later at any time of the day.

Phonics- Watch our pre-recorded session on our new sound 'ar'. Can you play sentence substitution on phonics play?

<https://www.phonicsplay.co.uk/resources/phase/3/sentence-substitution-ph3>

Hymns of Worship- Follow the link on the school website.

Thursday

World Book Day- Make sure you dress up for our live zoom or if you are in school that day! If you miss the zoom then please watch the following video by the illustrator of 'What the ladybird heard'. <https://www.youtube.com/watch?v=IUcLsC0bPiQ> Can you make your own puppet theatre or story box? Don't worry if you don't have a cardboard box, you can always use the space under a chair to make your theatre.

Phonics- Can you practice writing words that have the 'oo' and 'ar' sounds that we have learnt this week? Can you find any of those items in your house? For example 'hoop' and 'carpet'.

Physical- Can you join in with a zumba dance class

<https://www.youtube.com/watch?v=yoJqpPjFK70&list=PLsLdlyqFC4R5kDIsjwLNwc1RUiH06nEf3&index=20>

Maths learning- Building 9 & 10, week 2, session 5 <https://whiterosemaths.com/homelearning/early-years/building-9-10-week-2/>

Jigsaw (PSHE)- Can you play your favourite sport? What different body parts do you have to use? Do you feel tired once you've played it? Remind yourself why it is important to exercise.

More Challenges to try

Growing Ginger

Science Experiment

Method

1. When choosing a piece of ginger in the supermarket, choose one that is plump and fresh. Look at the knobby parts to find ones that have little points (called eyes) on the end of the knobles.
2. Soak the ginger root overnight in a bowl of warm water. This will wash off any chemicals and preservatives.
3. Prepare the plant pot by adding $\frac{3}{4}$ compost and $\frac{1}{4}$ sand to the pot and mixing it together.
4. Plant the ginger root in the pot. Make sure the 'eyes' are pointing upwards, out of the compost.
5. Water it well.
6. Place the clear plastic bag over the pot. This will act like a mini greenhouse and keep the plant warm.
7. Place it on a sunny windowsill.
8. It may take a couple of weeks to grow, so keep checking and watering it if the compost looks a bit dry.

You will need:

Ginger root (from the supermarket)
Water
Bowl
Plant pot
Compost
Sand
Clear plastic bag
