

5<sup>th</sup> January 2021

Dear Parents and Carers,

**CRITICAL WORKER AND VULNERABLE CHILDREN PROVISION**

It is with great regret that we will need to postpone the commencement of this provision, and we are now hoping to commence on **Thursday 7<sup>th</sup> January** but we are awaiting further guidance and will confirm our starting date as soon as we are able to. This decision has not been taken lightly, but has been taken in line with our on-going risk assessment procedures, and is due to the limitations of current staffing and the overwhelming response we have had from parents.

Remote learning will begin this afternoon, as already communicated to parents, and more detail will follow about this in due course.

Please accept our apologies for this inconvenience. Thank you for your continued support.

Yours sincerely,

Mr P Wells  
Chair of Governors

Mr N Meehan  
Executive Headteacher
