

**Year 6 Leaver Service**

**Tuesday 20<sup>th</sup> July 2021**

**9 – 9.30am School Field**

Dear Parents and Carers,

Thank you for some of your feedback and we understand how disappointed you were to hear about the cancellation of the school leavers service.

We hope that the previous letter explained a little more and apologies for the lack of explanation from the original text. This will not happen again.

After some reflection, and some manipulation of our school timetables, we have decided that we could facilitate a very brief face to face Leavers service on Tuesday 20<sup>th</sup> at 9am, weather permitting.

As previously organised, this would be strictly for one person per Year 6 child and will take place on the school field. You will be registered on arrival and will be seated in designated areas.

Unfortunately, there will be no toilet facilities available during this time and we will need all parents to vacate the premises as soon as the service has finished.

The children will then have an opportunity to sign shirts and have group photographs taken after the service has finished and when all parents have left.

Thanks in advance for your understanding, apologies for any of you who are unable to attend this date. We are simply trying to do our very best for all, in these difficult times.

Thank you for your understanding.

Kind regards,

Miss Beacham and the Year 6 Team.
