

Ashford Church of England Primary School

28 September 2021

Dear Parents and Carers,

I am writing to you to let you of some changes that are taking place with our reading and phonics provision in the Infants.

We have recently purchased a new scheme called 'Little Wandle Letters and Sounds Revised' which we will be using to plan our phonics provision in school. There are some excellent resources for parents on their website which you may find useful when supporting your child at home. Please follow this link to go to the website and click on the 'for parents' button for more information. <https://www.littlewandlelettersandsounds.org.uk/>

As a part of this change we are also making improvements to our reading sessions in school. This will mean your child is bringing different books home on different days of the week. In order to explain these changes in more depth there is a video presentation available on our website. <https://ashford-primary.surrey.sch.uk/curriculum/year-groups.php>

Please do take some time to have a look at this and then if you have any questions please see your child's class teacher in the first instance.

In order to answer any further questions please email the office, marking your email for my attention. I will also be available after school every day next week in the Infant playground where I will be happy to help you understand these changes.

Yours sincerely,

Lesley Bailey
Deputy Headteacher
