

Ashford Church of England Primary School

8 July 2022

Dear Parents and Carers,

Next week is an exciting week at Ashford! We will be pleased to share with you information regarding our staffing structure for next year regarding our school leadership team and news of teachers for each of our new classes. The children will also be meeting their new class teacher in a 'meet the teacher' session on Tuesday.

Next Friday, we will also be sending out all the end of year reports for our Ashford children, which celebrate so much achievement over the year for all our pupils.

Ahead of all this, we are also writing to let you know today that we are sadly saying some goodbyes to some of our valued Ashford staff at the end of this term. As you know, Mr Meehan is stepping down as Executive Headteacher, as he moves on to a new headship and we wish him well and thank him for his leadership over these recent years.

Additionally, Miss Tyler is moving on to a new school and Mr O'Shea leaves us, as he travels back to his homeland of Ireland.

In our teaching assistant team, we are saying goodbye to Mrs Greathurst and thank her for her work over the last year. We also are very sad to say a goodbye to long-standing TLA, Mrs Matthews whose contribution has been amazing in proving 20+ years of dedicated service to Ashford.

We wish all of our leaving staff all the best for their next chapters in life and we know the children will miss them.

Thank you for your continued support.

Miss H Beacham
Head of School
