Diagnostic Questions

Dear Parents and Carers,

As a school we have recently signed up to Diagnostic Questions which is a great resource to support children's learning across a range of subjects. To begin with we will be focusing on using it for Maths.

<https://diagnosticquestions.com/>

Diagnostic Questions provides lots of quizzes to accompany the curriculum we follow for Maths which is a great way for the children to revisit and review their learning.

Please sign your child up to their class using the code below:

Panda Class - SC-P6XDFEJWSPUV

Tiger Class: SC-06DBIPOV6ULH

Below is the link to some videos which will help you get started:

<http://mrbartonmaths.com/teachers/diagnostic-questions-help-videos/from-a-students-point-of-view.html>

Your child will be set a Maths quiz once every half term and this will be detailed in the home learning for that week.

Thank you for your continued support.

Yours sincerely,

Miss G Pooley
Maths subject leader
