

Ashford Church of England Primary School

27 January 2022

Dear Parents/Carers

Mr. O'Shea & Ms. Orton will be hosting Year 6 football trials this coming Monday (31st Jan) from 3.15 to 4.10 and training on subsequent Mondays. The training sessions will run on club weeks with the exception of when we need the pitch for home matches, which will be communicated. If your child is interested, they should bring PE/football kit with them to school in a bag to change into after school. Football boots with plastic studs are welcome but not essential. Metal studs are strictly forbidden for health and safety reasons. Shin pads, goalkeeper gloves etc are all welcomed, but please do not purchase for the sessions alone.

After the trial day, we will pick a Boys and Girls A team, with 10 from each gender. Children who do not make the A team may continue to come to training as we will look for B team fixtures throughout the year.

The trials and training sessions are completely free of charge.

Kind regards,

Mr O'Shea & Ms. Orton
