

Thursday 28th April

Dear Parents and Carers,

It was lovely over last term to see the children achieving well in their learning and taking part in a whole range of curriculum events from Story Telling Week to being able to invite parents in to be part of some of our school events, such as class workshops, the choir concert, the junior World Book Day reading and the infant Easter hat parade.

We are excited about the term ahead, with all of our curriculum events ahead over the coming months. As part of this, and our commitment to a broad and creative curriculum, we are ensuring this term that each of our year groups will enjoy an educational visit, to support their learning over this term, as below.

Reception	Will be doing some workshops at Bedfont Lakes with the children.
Year 1	The children will be paying a visit to Beckonscot Model Village
Year 2	The London Aquarium will be providing some excellent aquatic learning for their visit.
Year 3	The children do like to be beside the seaside, and will be travelling to West Wittering for the day.
Year 4	Will be trekking into the Living Rainforest as part of their thematic learning about rainforests.
Year 5	The children will be visiting the Wetlands Centre later in the term.
Year 6	The residential trip to the PGL centre will no doubt be one of the highlights of the term and give the children of opportunity for outdoor adventurous learning.

Please look out in ACE's Highlights for some photo opportunities from these events as they happen over the term!

Thank you for your continued support.

Yours sincerely,

Mr N Meehan
Executive Headteacher

Ms H Beacham
Head of School
