

Pre-visit preparation has included:

- An approval form signed by the Head.
- The class teacher has confirmed the content of the visitor's planning in the period leading up to the visit.
- A risk assessment form has been completed if appropriate and given to the Headteacher.

Class: Kangaroos & Koalas	
Visitor/ Workshop: Bird visit	
Date: 16/5/24	Time: 9-11am
Learning Focus:	Our learning focus for this half term has been developing the children's knowledge and understanding about the world around them. Our class Kangaroo and Koala toys are on holiday in Australia at the moment and we have been learning about how Australia is very different to Ashford. As part of our learning we have been finding out about some of the birds and animals that live there. We have the opportunity to see a kookaburra close up and also see a variety of other birds that live in our wonderful world.
Cost of Visitor / Workshop:	£2 per child
Other Information:	The birds will be coming with a trained handler. There might be an opportunity for the children to hold the birds, using a special safety glove. If your child has any allergies related to this visit or you have any concerns regarding this visit, please let us know.

Kind regards,

The Reception Team
