

ACE Summer Reading Challenge

Dear Parents/Carers,

At Ashford we love reading and we wanted to take this opportunity to set a reading challenge during the summer holidays. As always, we actively encourage our children to read as much as possible because, as we know, reading has a big impact on children's learning.

We have set a challenge for Key Stage 1 learners and one for our Key Stage 2 learners. As the children complete the activities, they can note the title of the book and the date on the back of their sheet. We ask that the sheets are returned to school by **Wednesday 10th September**. We will collect all of the names of the children who complete the challenge and pick out two winners from

Key Stage 1 and two winners for Key Stage 2. The challenge will be sent to you in an email and also sent home with the children as a paper copy.

If you are looking for a range of different books over the summer, remember that **Ashford Library** is local to us and It is very easy to join and borrow books.
