

4th November 2024

Dear Parents/Carers,

We are really pleased to be able to share some information about a new learning programme called 'White Rose Infinity' which we will be using to set home learning.

White Rose Infinity is accessed through an app which enables teachers to set quizzes based on fluency questions linked directly to the White Rose schemes using models and images your children will be familiar with.

To ensure everyone has a full understanding of the programme, we would like to invite you in to your child's class for a demonstration. Each class will have a session; the dates for these are:

Zebra Class

Monday 11th November 2024 at 2.40pm

Giraffe Class

Tuesday 12th November 2024 at 2.40pm

Please ensure you have downloaded the app on to your device and bring this device along with you to the class demonstration.

For safeguarding reasons, whilst in the classroom please ensure you are only using your device to access the app

Thank you for your continuing support.

Yours sincerely,

Miss Pooley
Maths Subject Lead
