

Ashford Church of England Primary School

Dear Parents and Carers,

We are really pleased to be able to share some information about a new learning program called Comprehension Superstars. We have been using the program in school since September but we would now like to use it as a tool to support children at home with their comprehension skills.

Comprehension Superstars is designed to help children expand their vocabulary, improve their comprehension and prepare for the demands of the upper key stage 2 reading curriculum. The program focuses on six areas to develop children's skills:

Vocabulary

Challenging words are taught using memorable pictures and engaging sentences. Words are repeated in subsequent lessons to ensure they are learnt.

Morphemes

Morphemes enable children to deduce meanings of unfamiliar words. E.g pre- (before), port (to carry) and -ish (somewhat like)

Comprehension

Reading comprehension improves by increasing vocabulary and the ability to infer the meaning of unfamiliar words.

Adjectives

Teaches shades of Meaning. E.g good, excellent, tremendous and exceptional are all synonyms, but are subtly different.

Terminology

Interactive activities teach all the terminology in the national curriculum in detail. E.g Alliteration, passive tense and adverbials.

Practice

Sample questions help children practise for Year 6 SATs. All SAT question styles are covered, including understanding and inference.

All children will be given their own individual login and they can work through the program at their own speed. Each session will last around 30 minutes and children can follow the program independently.

To ensure everyone has a full understanding of the program, we would like to invite you in to your child's class for a demonstration of the program. Each class will have a session and the dates for these are:

Llama Class

Tuesday 21st October 2025 2.40pm

Buffalo Class

Monday 20th October 2025 2.40pm

Thank you for your continuing support.

Yours sincerely,

Mrs Williams
