

ACE PTA Newsletter

Autumn 2021

As the days start to draw in and the colder weather arrives, the PTA Team are hot on the heels of planning some seriously fantastic fundraising events! With two events already successfully under our belt (the Preloved Uniform Sale and New Parents Meet and Greet) we are already steaming ahead!

Check out what is coming up between now and December and keep an eye on the ACE PTA Noticeboard in the playground for more details!

What are we saving for?

As highlighted in our newsletter last term, there are many different things in school that PTA fundraising pays for throughout the year, however in addition to this, school have requested the need to update several of the Smartboards in each classroom. We have agreed to do this at one per year, as we are also working towards purchasing another recycled plastic bench for the playground and a weather proof cover for the Reception play area.

October 2021

Sometimes it's hard to find the time...

Despite wanting to help out, life can sometimes just be too busy...but don't despair! You can still help from the comfort of your own home, and in your own time. It's as easy as 1, 2, 3...

1. Simply add the **Easyfundraising** app to your mobile or laptop and whenever you shop, you raise money! (Percentages received vary dependant on the retailer).
2. We receive **24%** of sales from any order placed via **MyNameTags** when you enter our Unique School ID 32070...imagine that, no more lost items of clothes?!! (well...hopefully!)
3. Fancy some fabulously fresh fruit and veg? Go to **www.fruitfund.co.uk** and order your groceries online from **Ashford Fruits** (Ashford High Street) and get them delivered direct to your door! **15%** of your order will go to our school PTA fund. Easy PEasy!
